24 April, 2023

Fall 2022 College undergrads: 5671; grads: 1246
This data is derived from stud-fac-ratios.csv

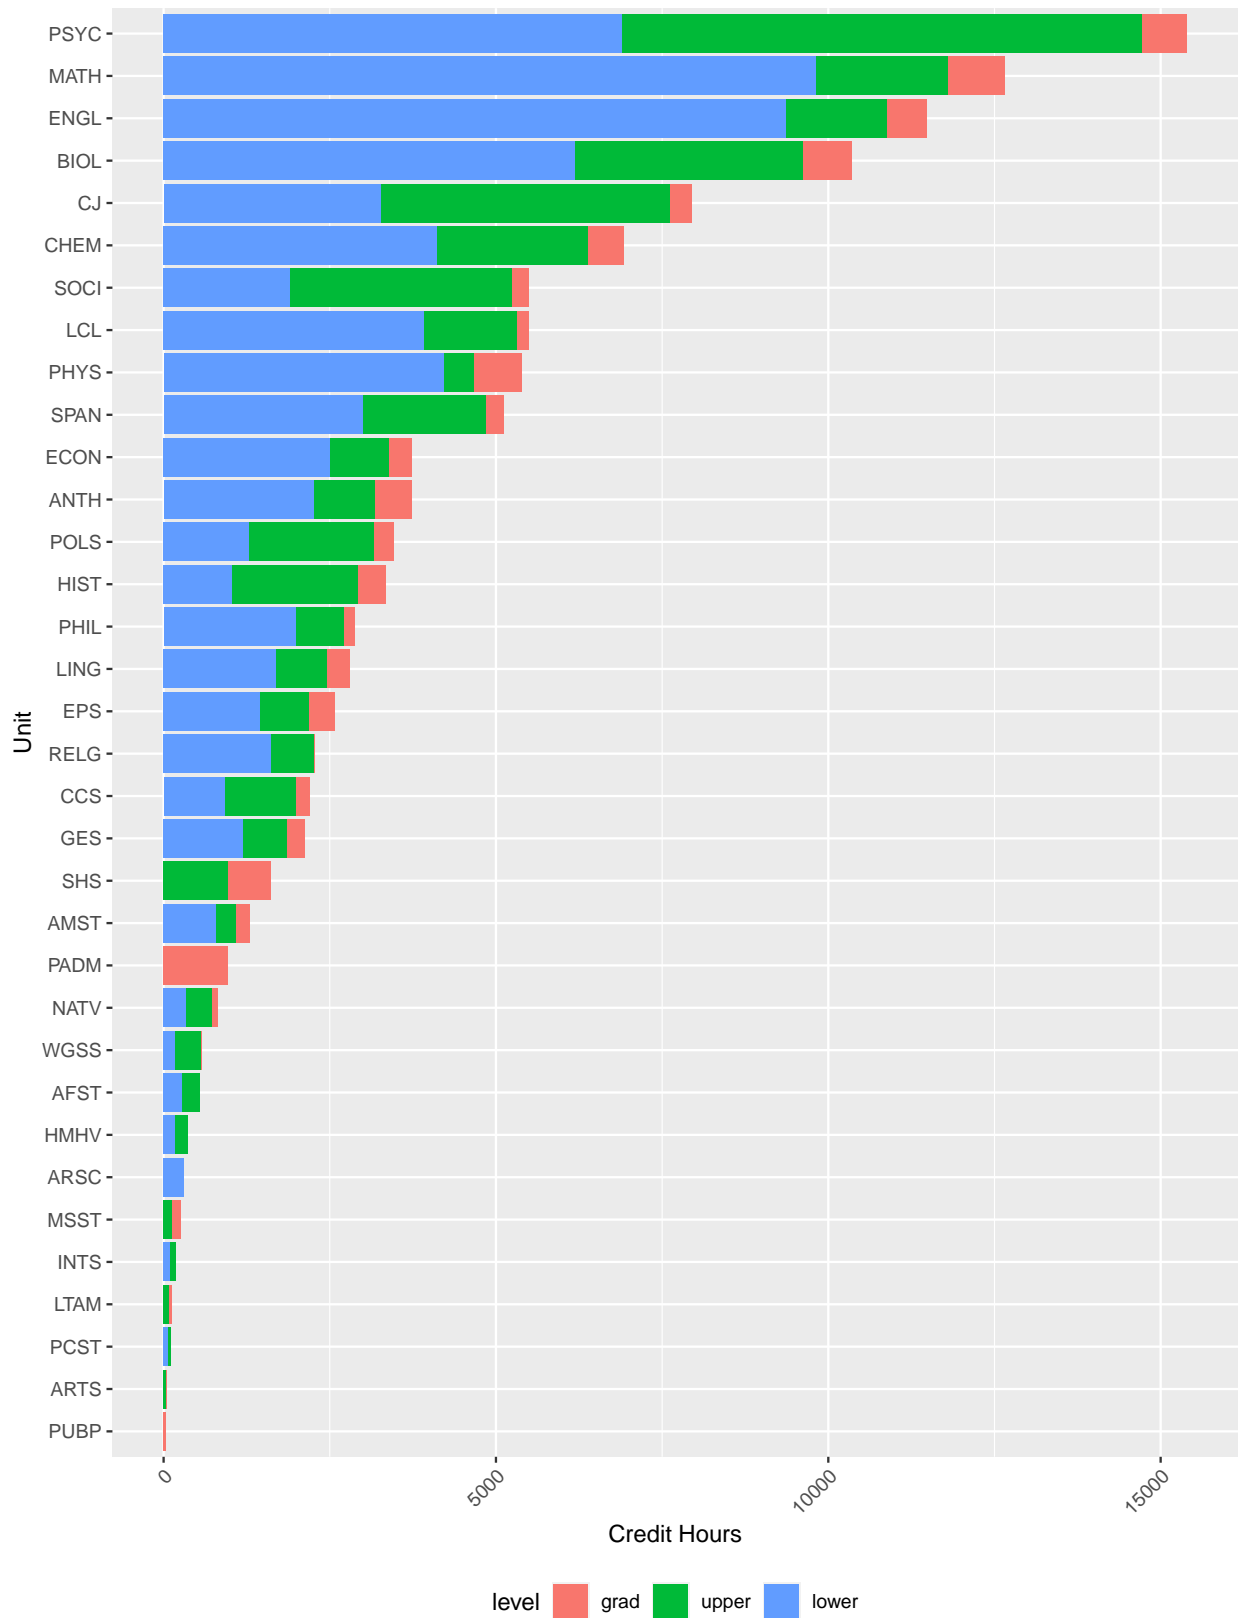

College total majors (2022): 5671 (-24%)
 This data is derived from stud-fac-ratios.csv

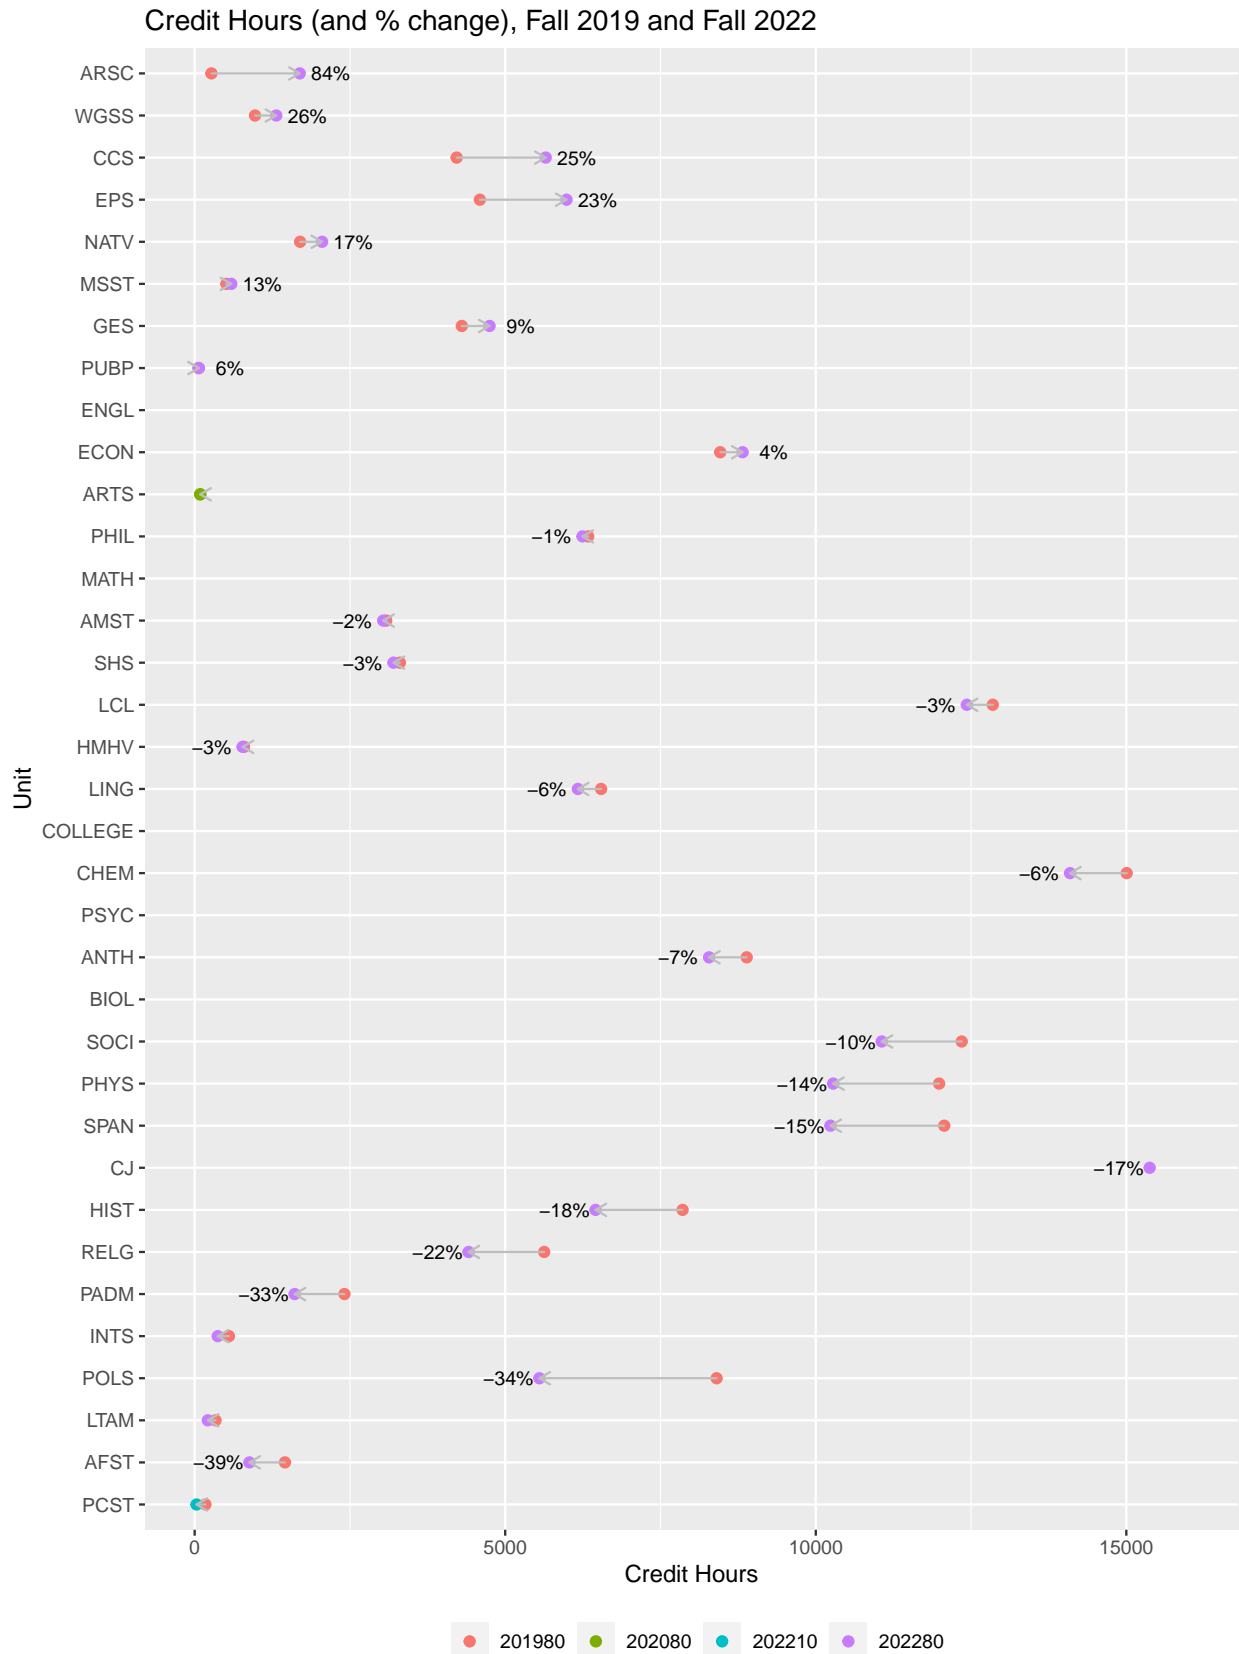

This data is derived from stud-fac-ratios.csv

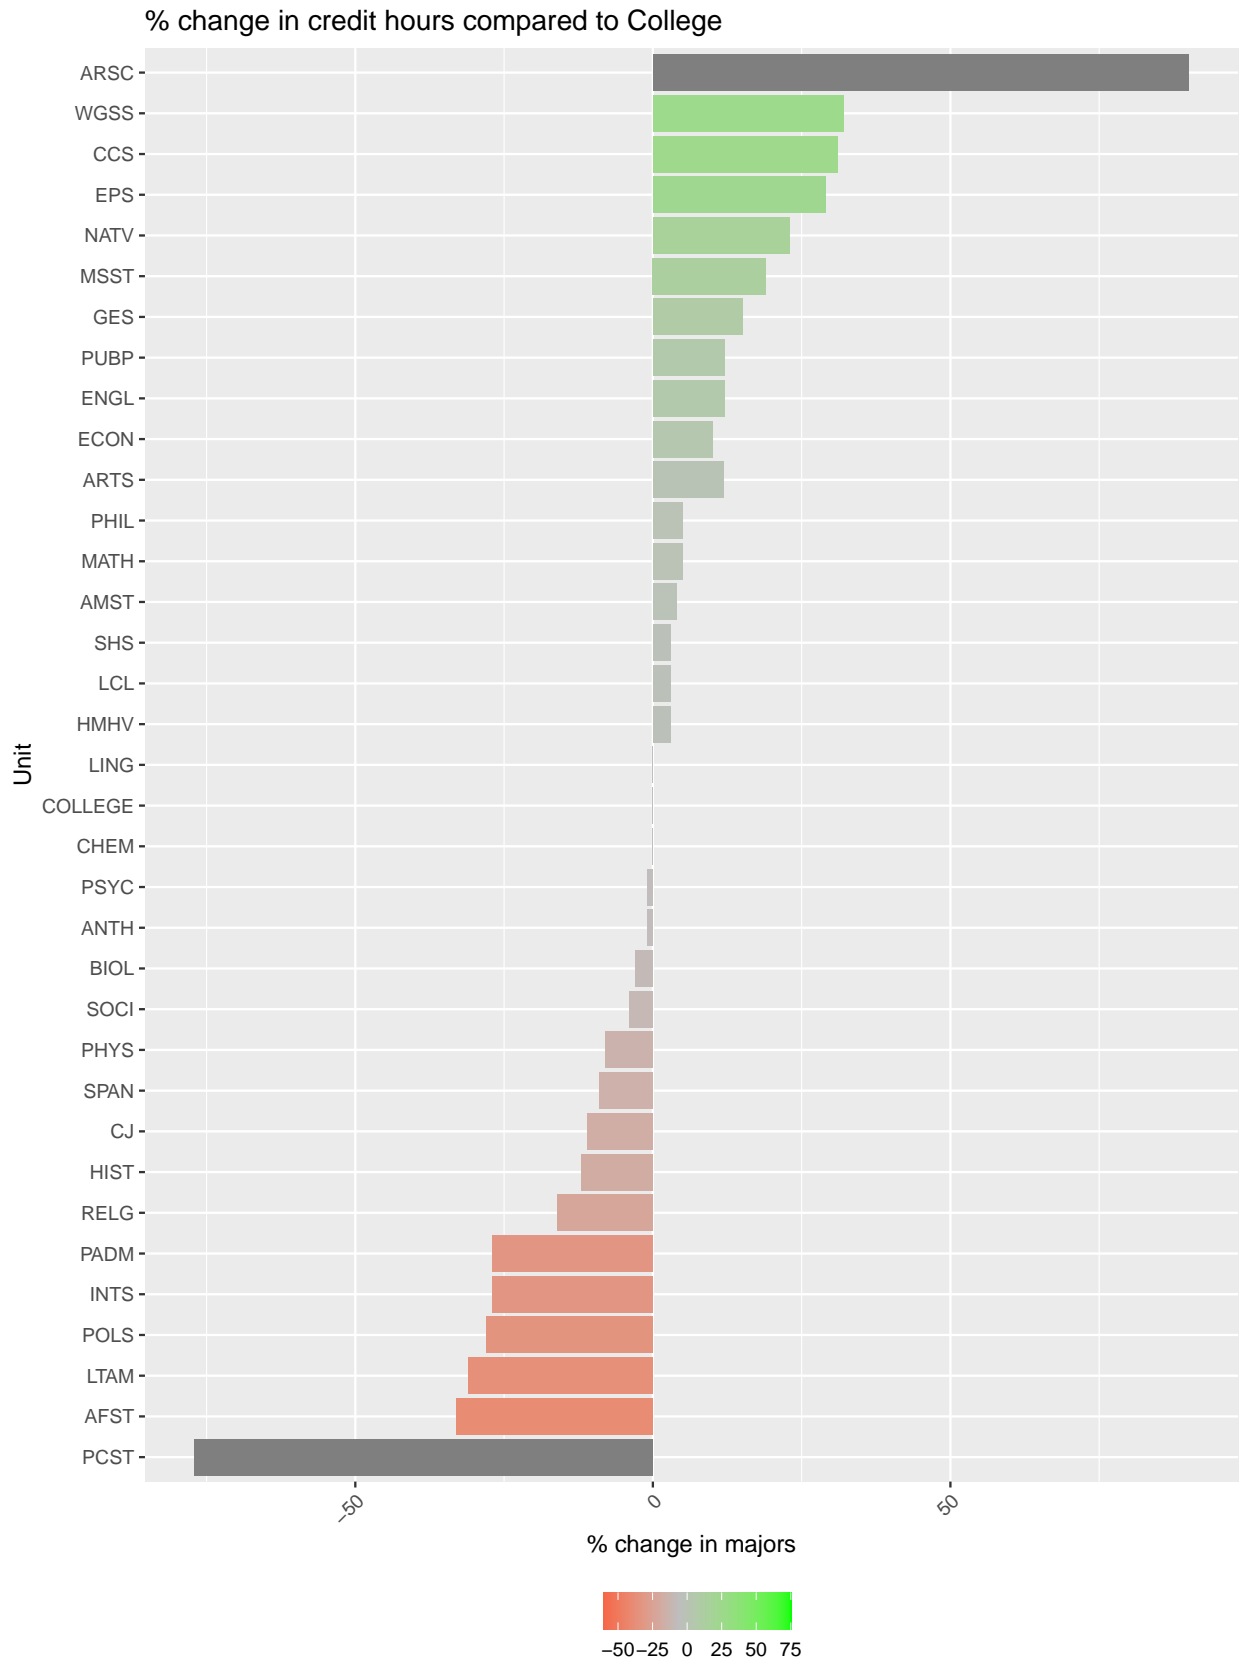

Mean Credit Hours (per semester), Fall 2019 – Fall 2022

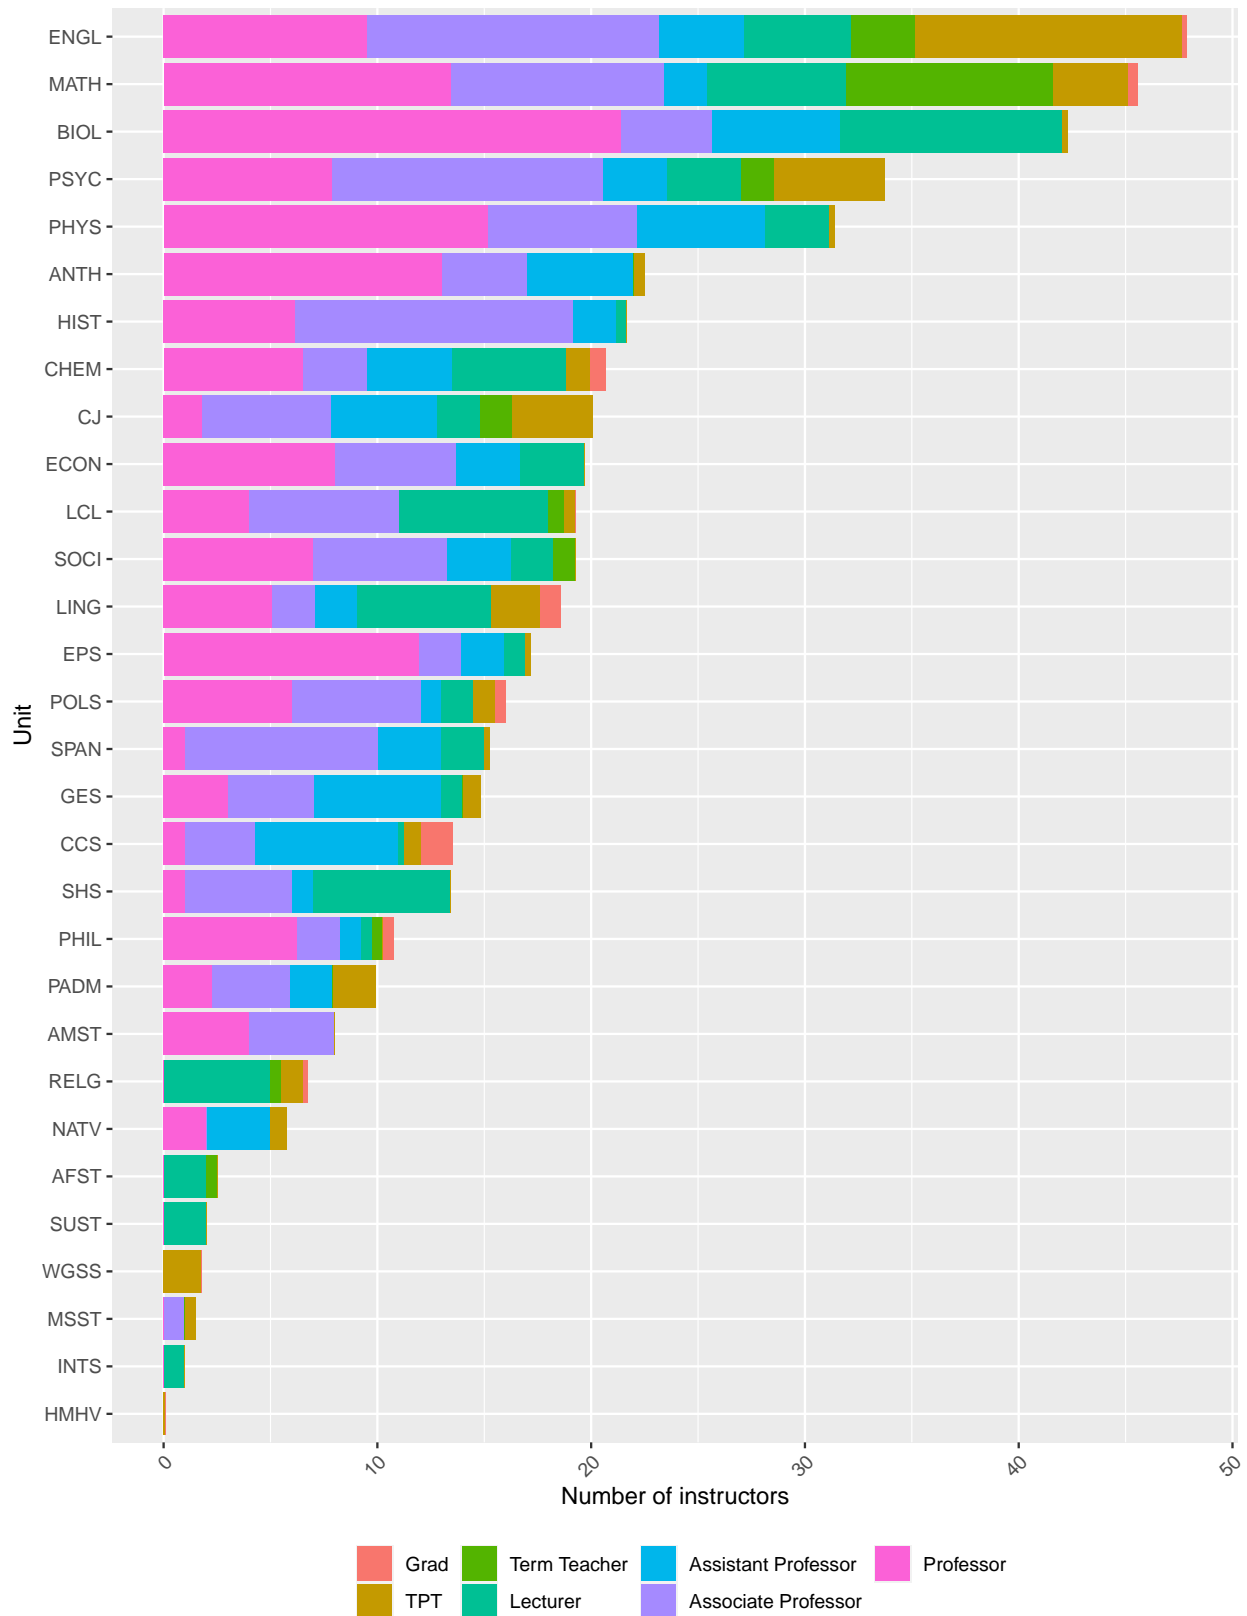

This data is derived from credit-hours-by-dept.csv (from all-courses.csv)

This data is derived from credit-hours-by-dept.csv (from all-courses.csv)

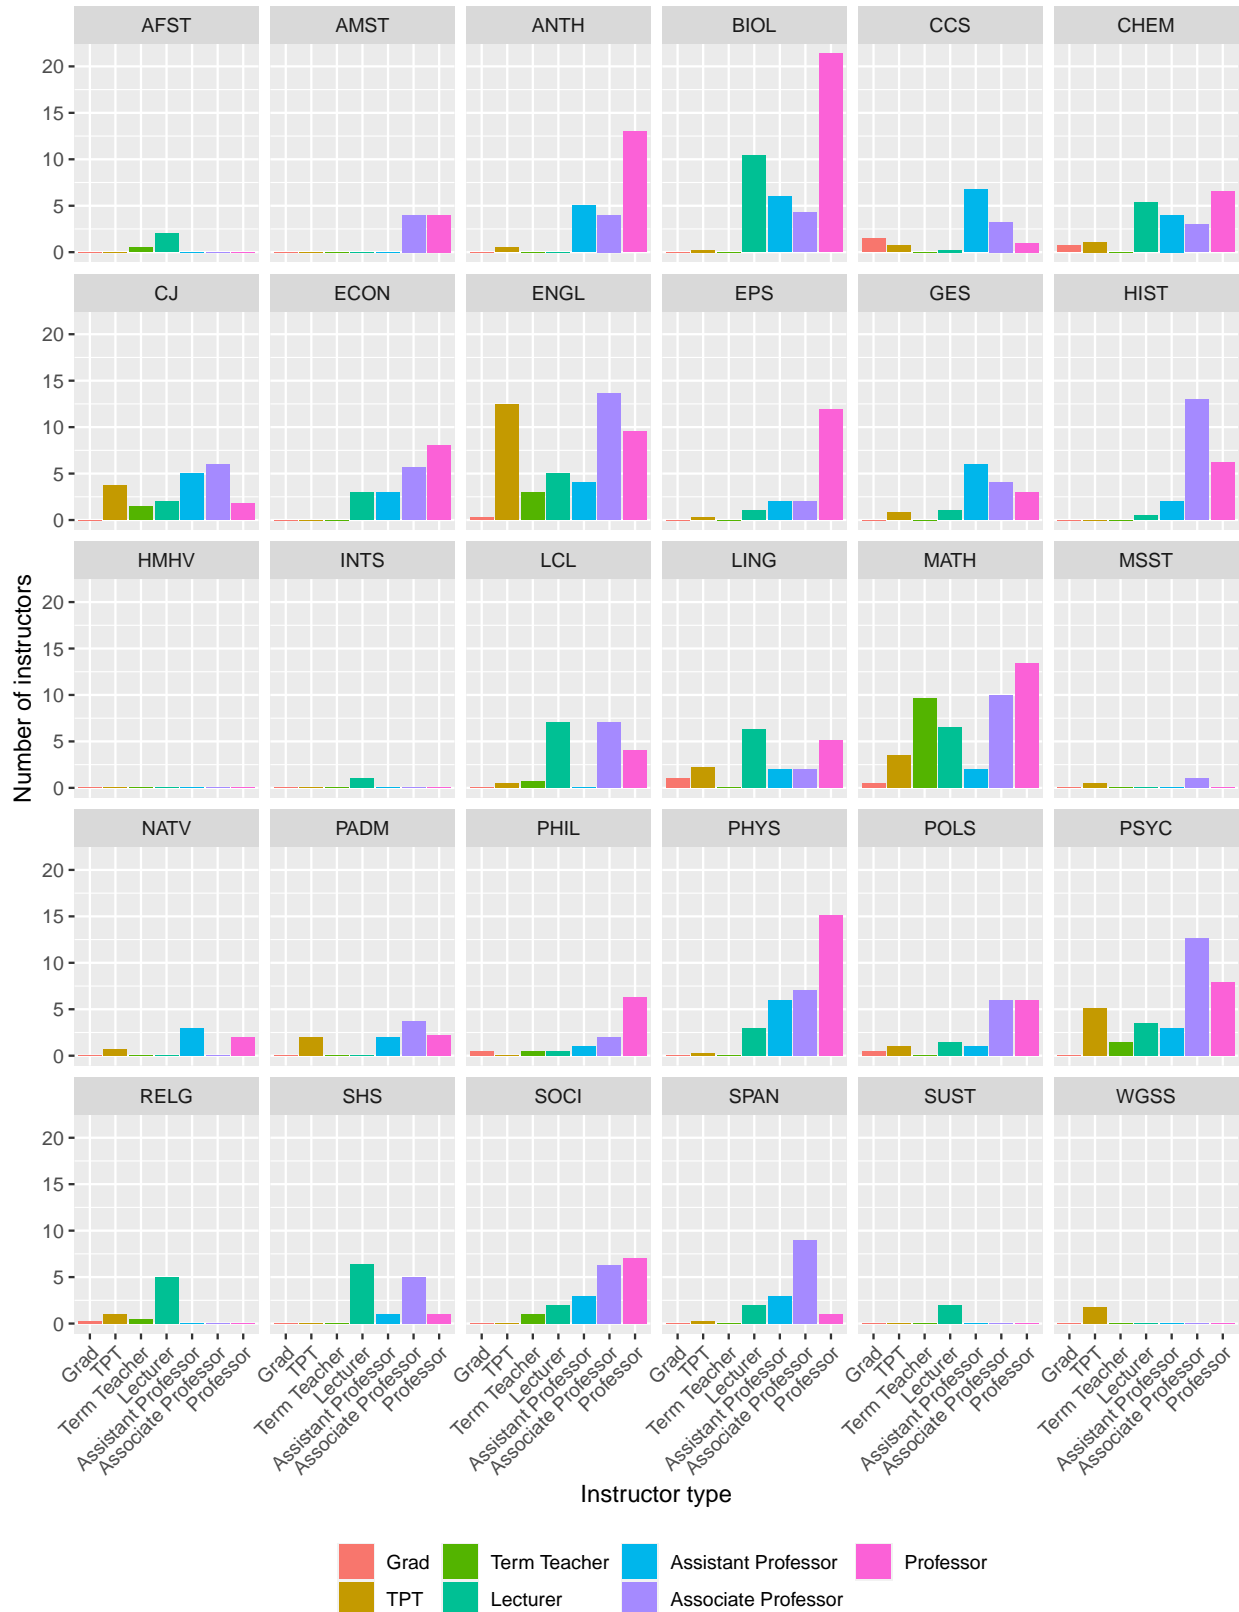

Instructor types in each unit, Fall 2022

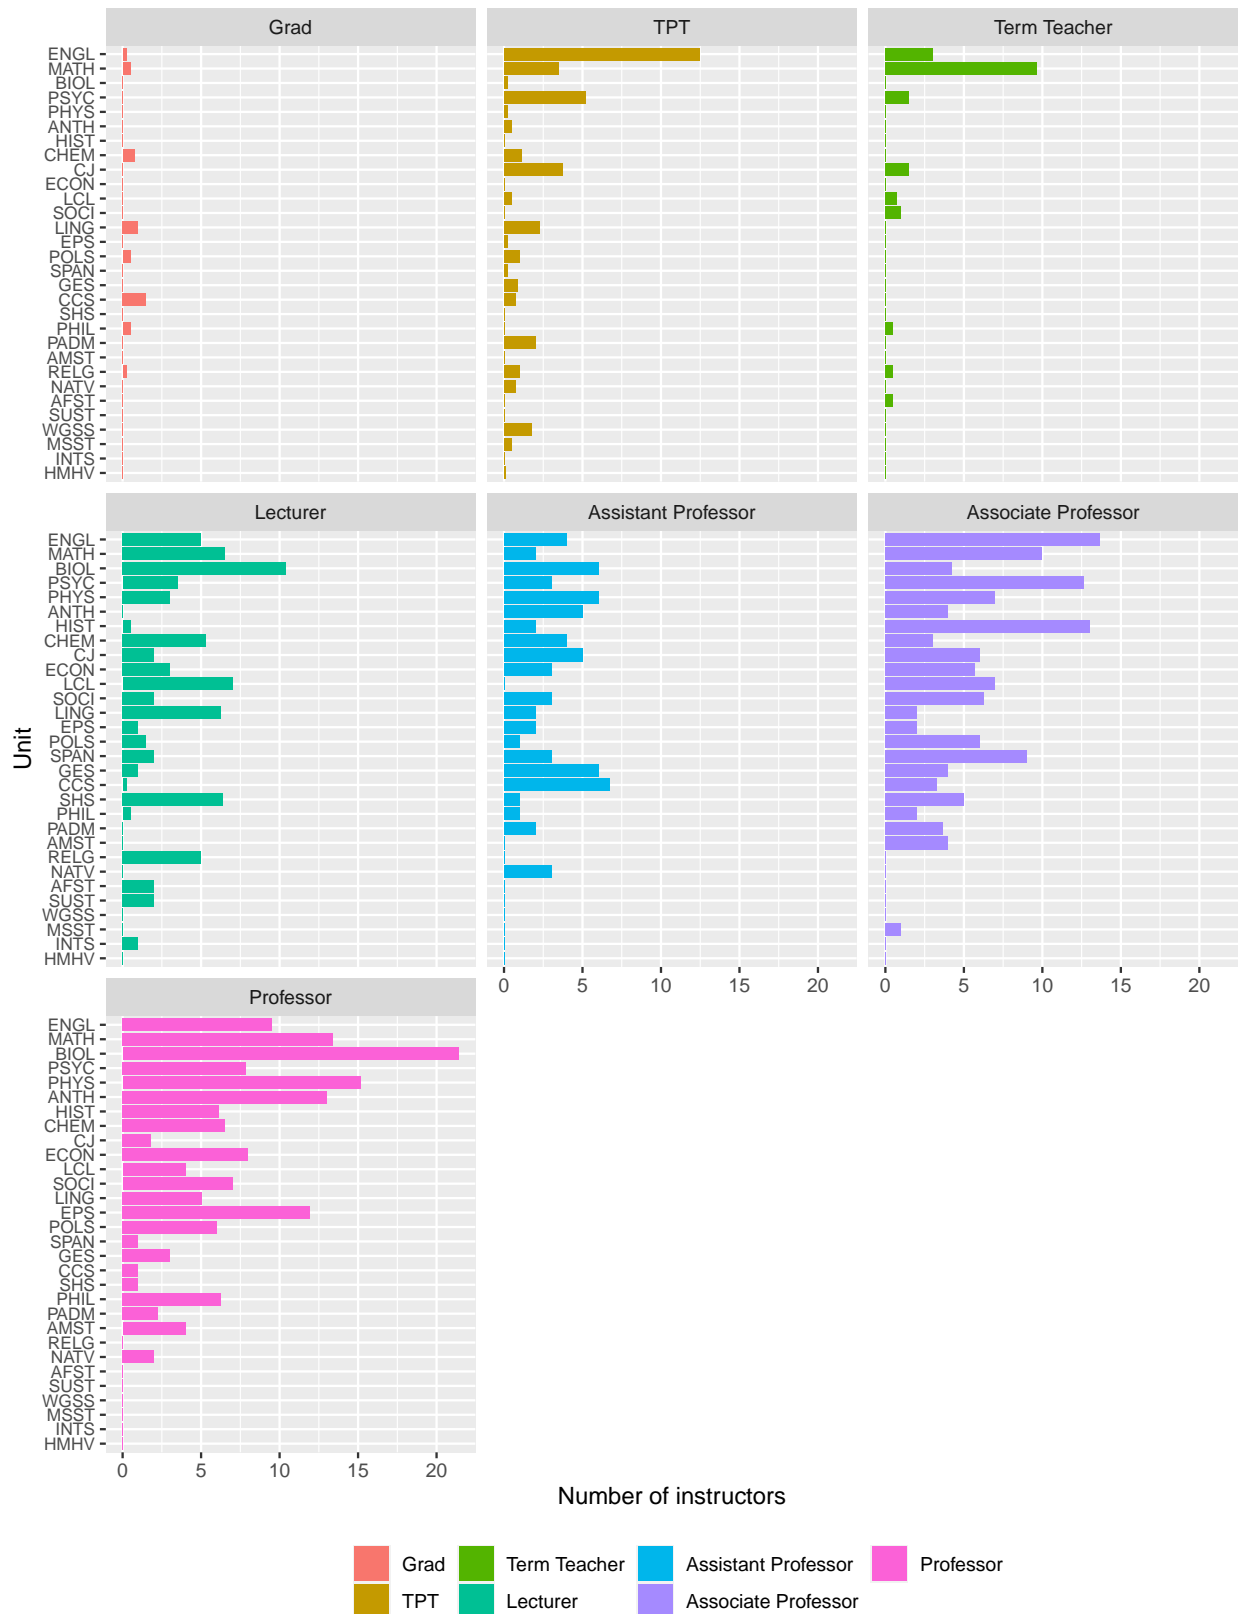

This data is available in all-fac-counts-by-dept.csv

Instructor types faceted by unit, Fall 2022

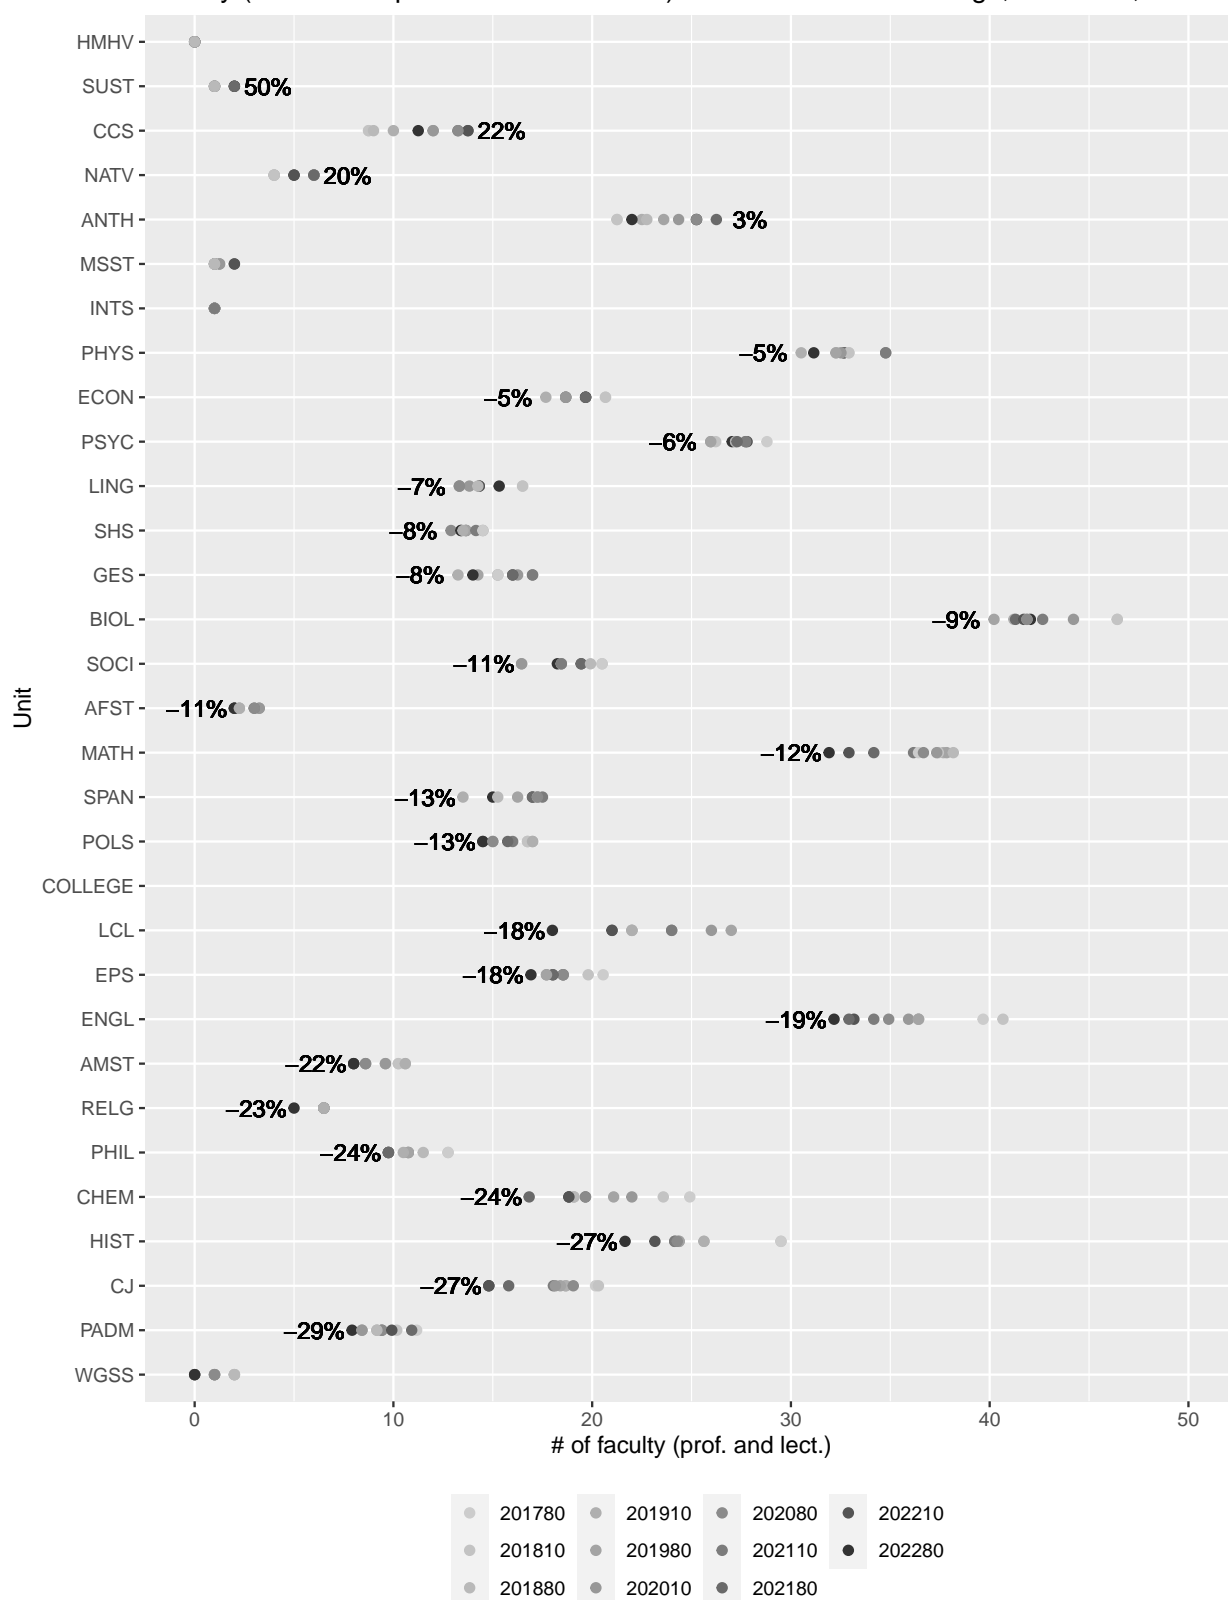

This data is available in all-fac-counts-by-dept.csv

Instructor types facted by type, Fall 2022

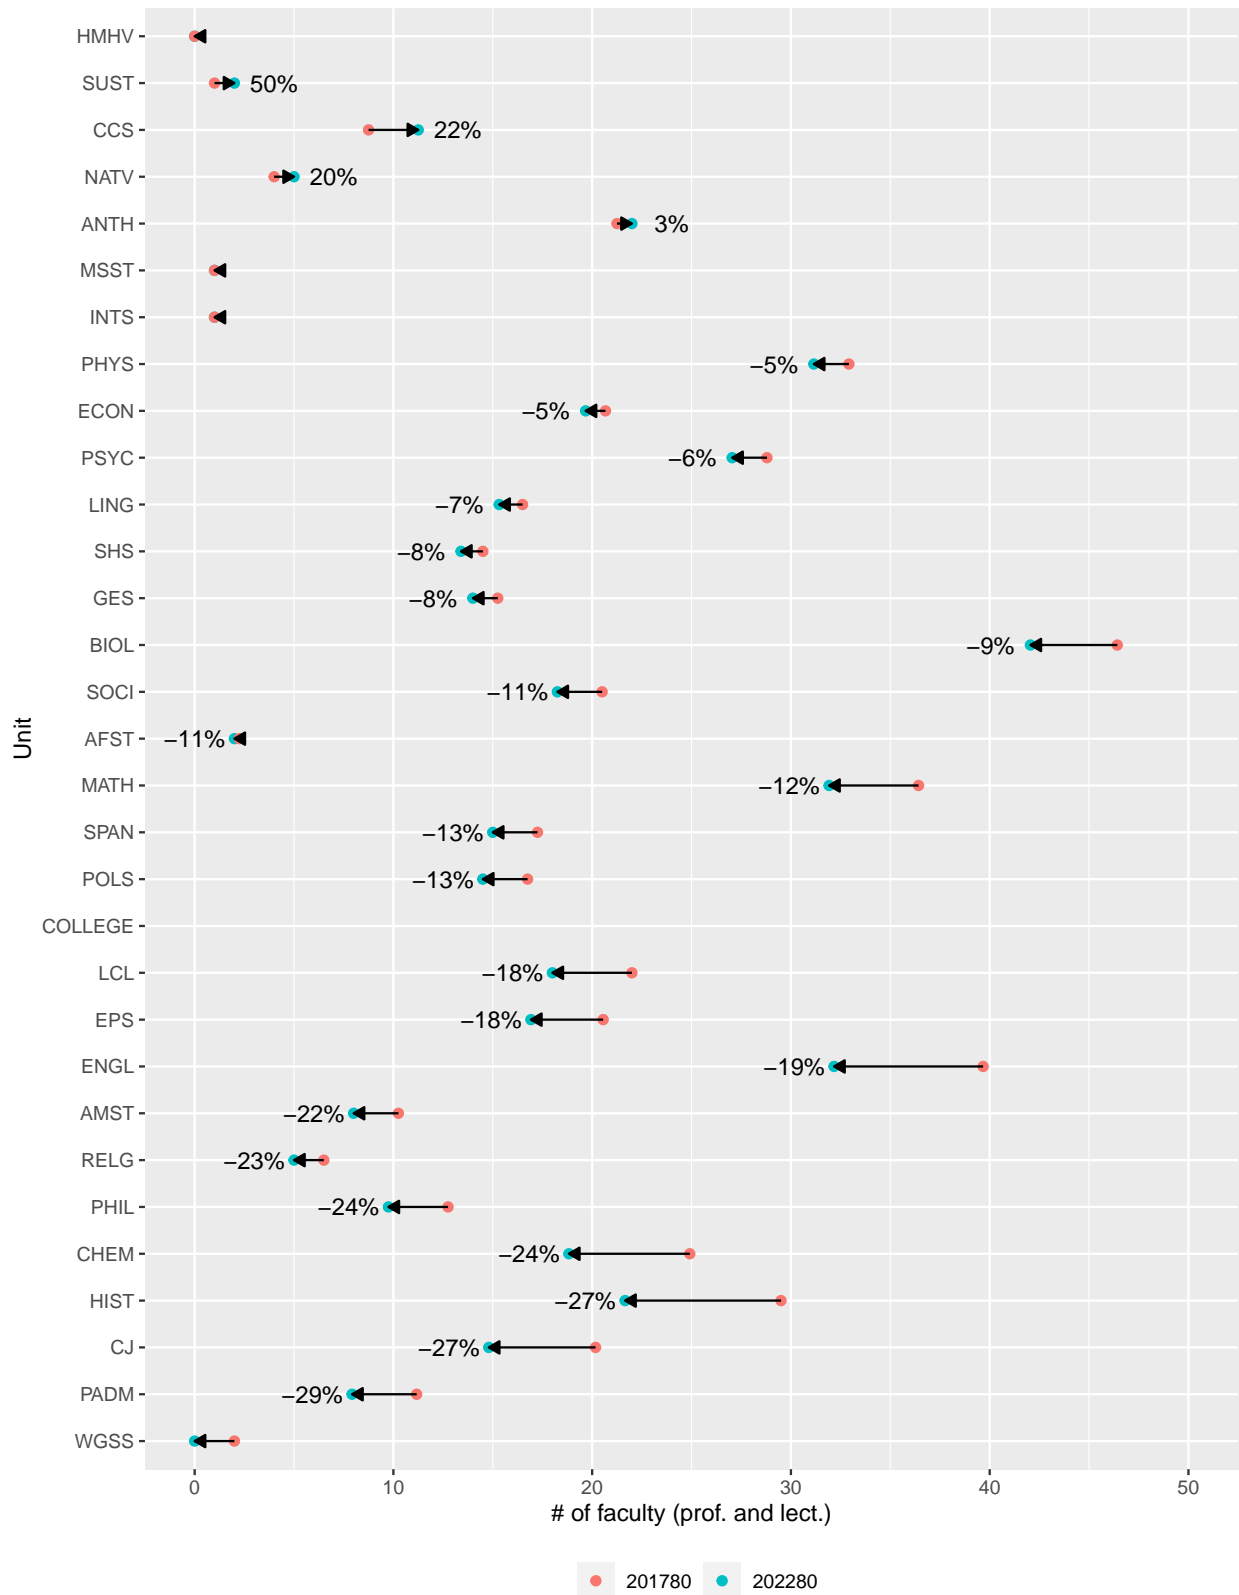

This data is available in all-fac-counts-by-dept.csv

Faculty (all ranks of professors + lecturers) headcount and % change, Fall 2017, Fall 202:

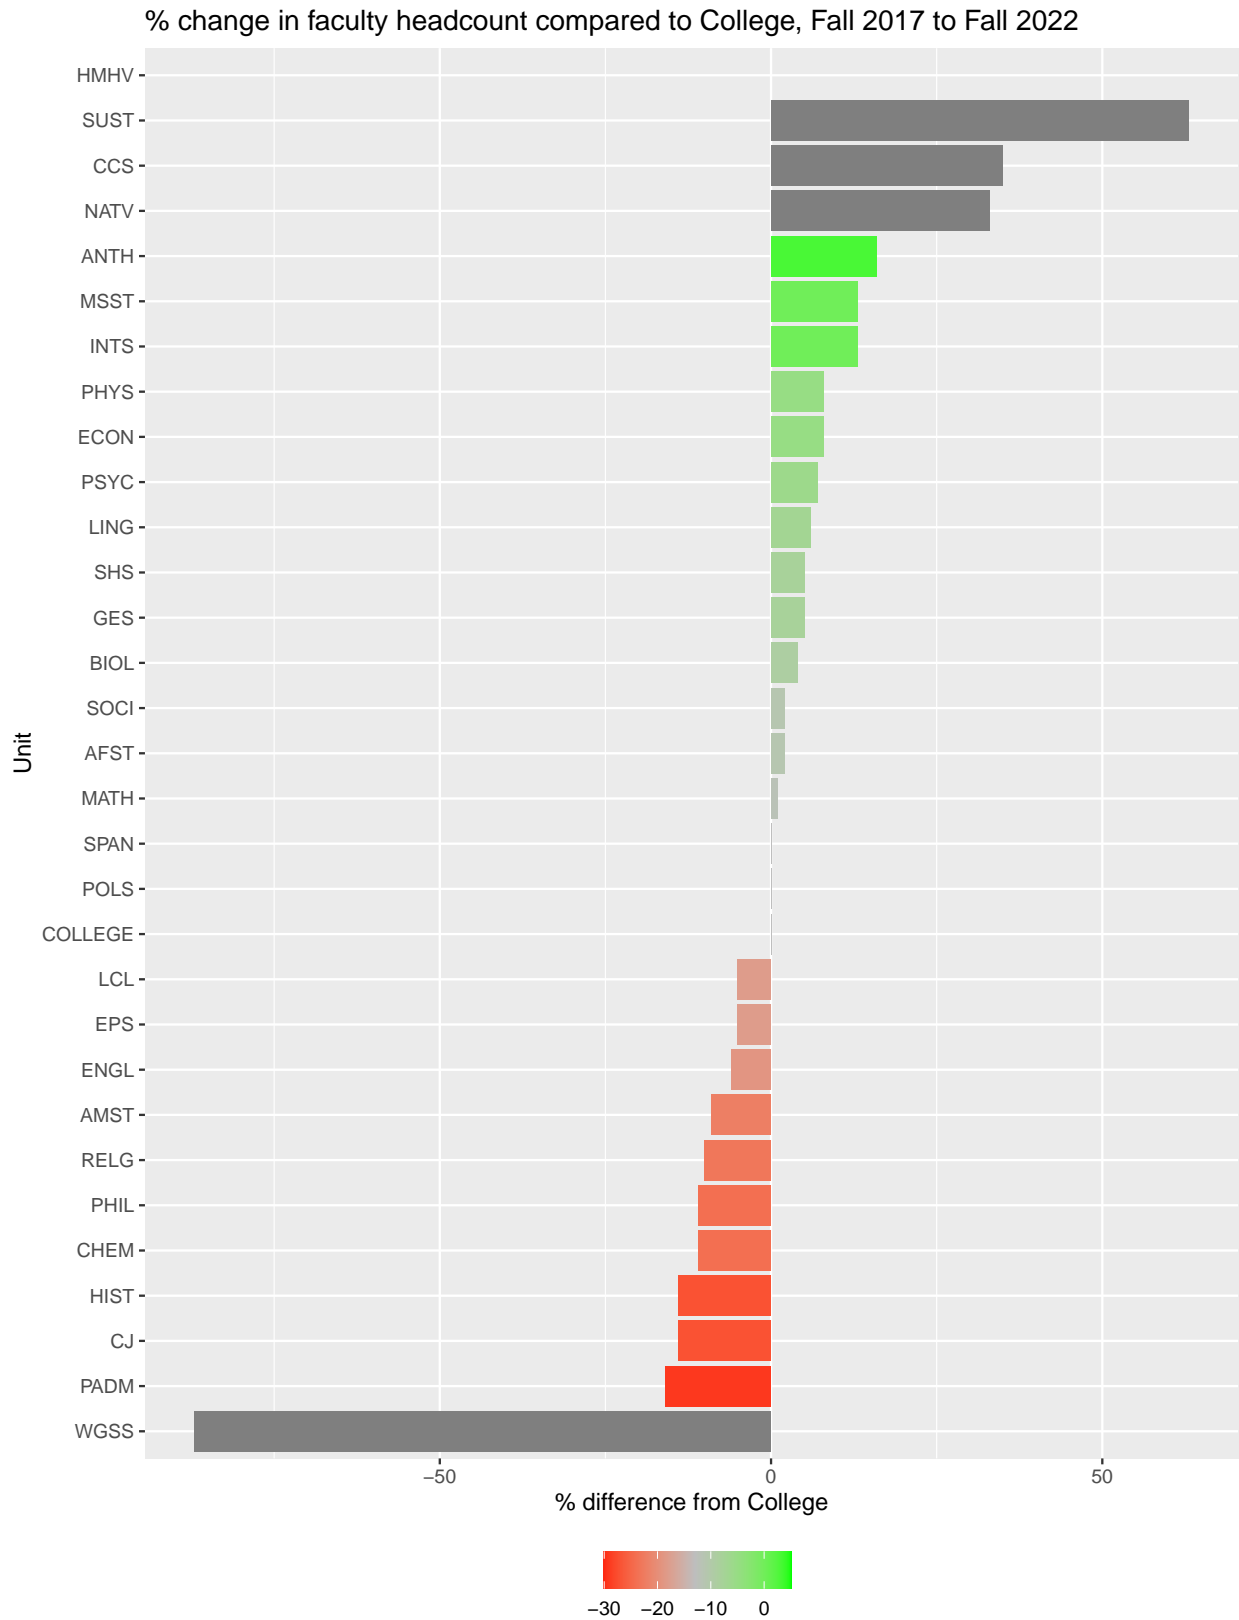

This data is derived from all-fac-counts-by-dept.csv.
College total faculty (2022): 439.6037(-13%)

Faculty (all ranks of professors + lecturers) headcount, Fall 2017 – Fall 2022

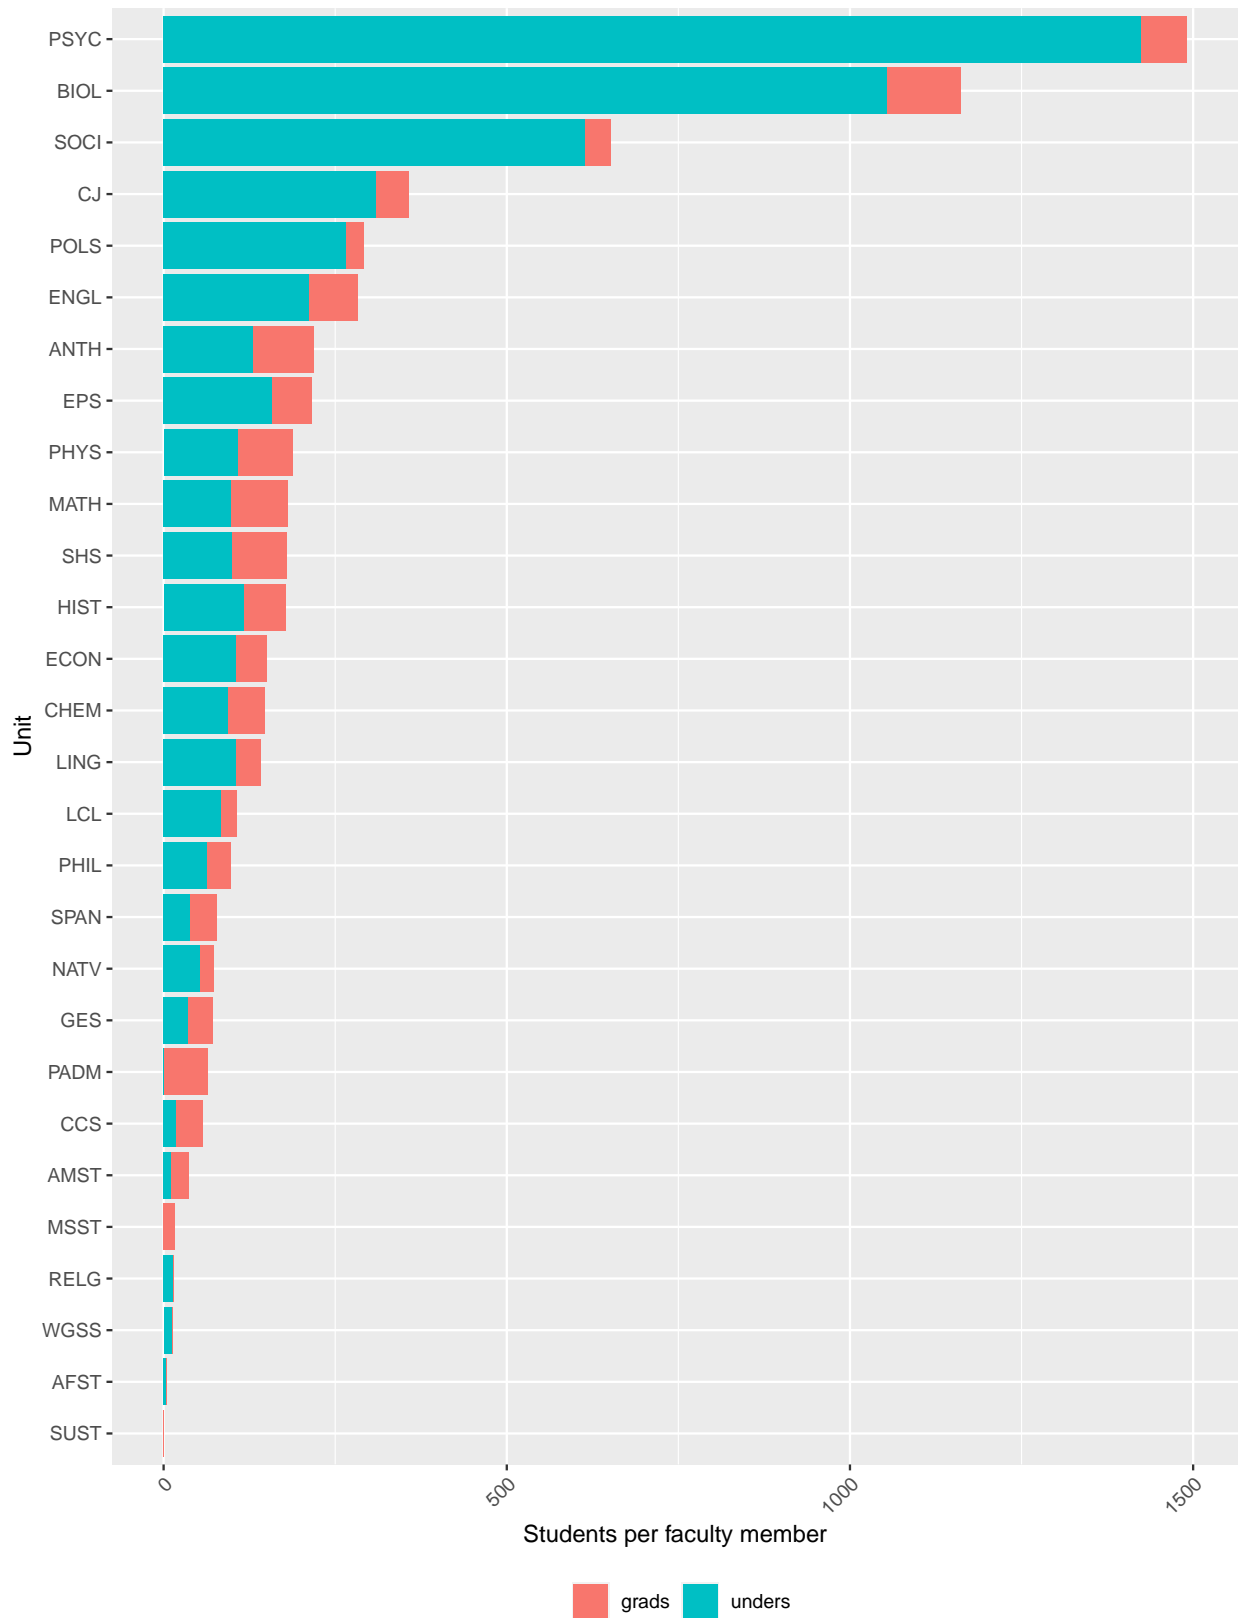

Faculty = all ranks of professors + lecturers.
This data is derived from all-fac-counts-by-dept.csv

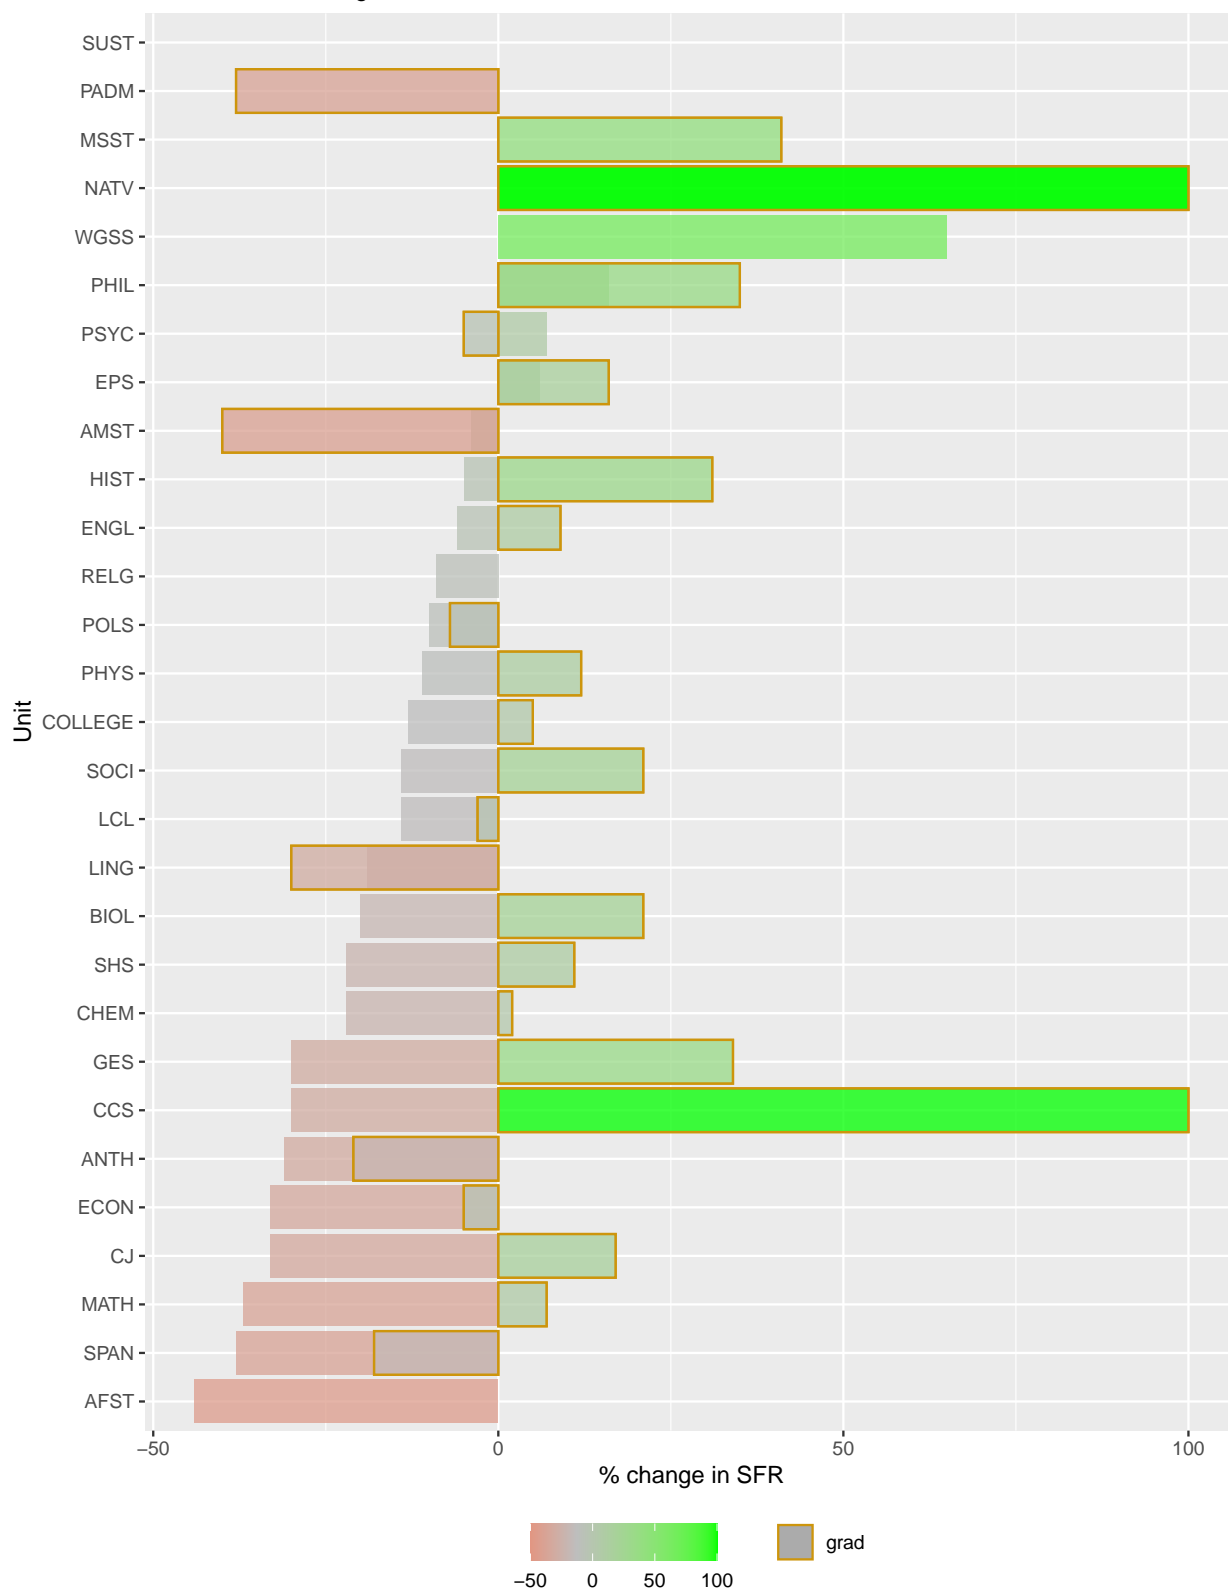

Grey bars are simply extremes in the range, excluded from the gradient to make it more useful.
 These are usually because of small department size.
 This data is derived from all-fac-counts-by-dept.csv

Student / Faculty Ratios, Fall 2022

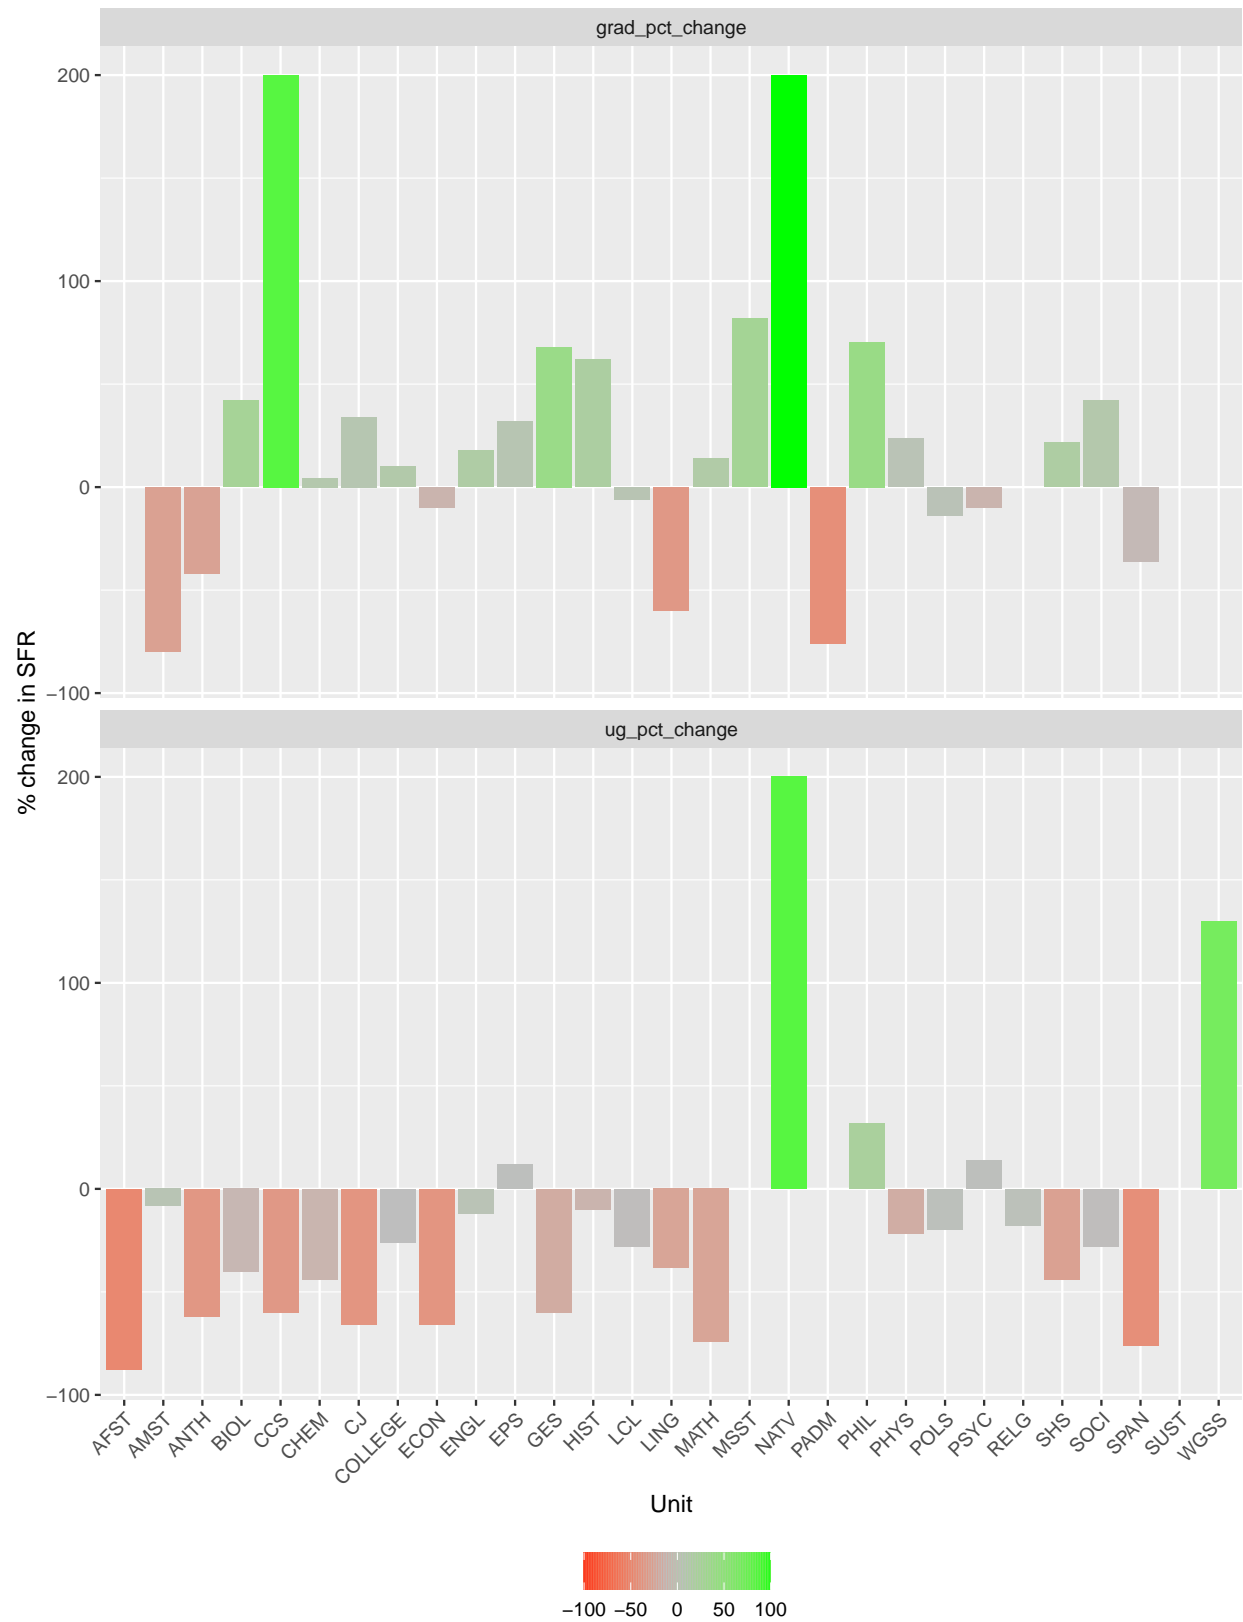

This data is derived from stud-fac-ratios.csv

% change in SFRs, ordered by decreasing % change in UG ratio, Fall 2017 – Fall 2022
 Outlined bars show graduate student SFRs

This data is derived from stud-fac-ratios.csv

Student / Faculty Ratios
